

Thank you for a wonderful 44 years of being customers and then becoming friends. But we are now transitioning into retirement.

Jane Bateman: the interiors store will be closing September 30, 2021. If you have an order outstanding beyond September 30, be assured that we will install your product before year's end. We can still be reached at 785-841-0370 for any questions or concerns.

Thanks for all the wonderful memories!
